Bishop McGrath's Statement on the 2016 Elections

As we approach this Fall's General Election, I know that many of you – like myself – are in the process of discerning the choices before us in the presidential race, as well as in many of the other races and issues that will be decided on November 8. I am writing to you today to put forward principles for your consideration in arriving at decisions that are consistent with Catholic teaching.

1. Every citizen who is eligible to vote must do so. It is a sacred trust, a grave responsibility. In casting a ballot, each person becomes a participant in our democratic process. Voting is a moral act, it expresses our values, our faith, and our hopes for our nation and world.

2. Be informed. Read and study the many issues and candidates that will appear on your ballot. There are no simple answers to the challenges that face our nation and our world. The United States is integrated into the society of nations and cannot act unilaterally. The good of the whole world and the welfare of people most at risk – the “common good” – must always be considered in the policies that govern the actions of our nation.

3. There are key moral and social issues that need to be considered in casting one's vote. The teaching of Pope Francis is clear that there are a number of concerns that must be included in moral decision-making. Among these are abortion, poverty, capital punishment, care for the environment, assisted suicide, and immigration.

4. There is no “perfect” candidate. There is no “Catholic” candidate. No candidate's position on the issues lines up consistently with the teaching of the Church. San Diego Bishop Robert W. McElroy notes the inherent complexity in casting a ballot: “Voting for candidates is a complex moral action in which the voter must confront an entire array of competing candidates' positions in a single act of voting. It is crucial that in voting for a candidate who supports the advancement of an intrinsic evil, Catholic voters not have the intention of supporting that specific evil, since such an intention would involve them directly in the evil itself. But voters will often find themselves in situations where one candidate supports an intrinsically evil position, yet the alternative realistic candidates all support even graver evils in the totality of their positions.”

5. The Church may become directly involved in encouraging parishioners to vote one way or another on *issues* of moral import. This would include, for example, our support of Proposition 62, which would eliminate the death penalty, and our opposition to Proposition 66, which would expedite the implementation of the death penalty.

6. Every Catholic citizen has the responsibility to form their conscience by considering the complexity of the issues, the teaching of the Church, and their own relationship with the Lord. We are bound to vote according to our conscience. As Pope Francis stated in *The Joy of Love*, it is the role of the pastors to help form consciences, not to replace them.

In closing, I entrust you all to the Lord, that you may be enlightened by the indwelling Holy Spirit and that you may participate as responsible citizens in casting your ballot on November 8. As you do so, please know that you are all in my prayers.

A Message From Our Pastor

Dear brothers and sisters in Christ,

Last weekend, Scott and Dianne Conry shared their stewardship commitment with us. I am deeply thankful to Scott and Dianne; not only did they sacrifice their precious schedule to speak at all the Masses, but also they have done it over the years with their contribution of time, talent, and treasure. They are truly a blessing to our community. Along with many other families, Scott and Dianne have made our community vibrant and sustainable; and for that I am truly grateful.

Contributing our time, talent, and treasure to build God's Church and our community is not only an act of charity, but is also an act of thanksgiving and an indispensable act of being a disciple of Christ.

Therefore, I am asking everyone to contribute your time and talent in whichever ways you see benefit to our community. In regards to treasure, please prayerfully consider giving 2.5% of your income to our parish as a way of giving thanks to God and responding to our Lord's call (Proverbs 3:9, Deuteronomy 16:17, 2 Corinthians 9:6, Luke 6:38). Perhaps, some of you are already giving more than 2.5% of your income; if so, please continue to do so for our goal is to reach our sacrificial offering. In fact, as a servant-leader of this wonderful community of God, I cannot ask what I myself do not do. Thus, my bank is setup so that 2.5% of my income sends via "bill pay" to our parish monthly.

I understand that it may not be easy for many people to give 2.5% to our parish, but I strongly believe that what we do with our gratefulness to God, we will be in good hands for "it is more blessed to give than to receive" (Acts 20:35). In knowing that everything belongs to God, and it takes concrete action to show our appreciation, then it may not be so difficult after all. Truly, the words of Dean Hirsch can be easily embraced, "no one is too poor to give nor too rich to receive." We are only being asked to give a small portion of God's gift back to God to build His Church on earth. In the end, the gift that we offer to our parish will end up serving us or our loved ones.

Every registered family will receive a letter from me and a pledge card this coming week. Upon receiving it, please fill it out and send it back as soon as you can. This year, we will have a Stewardship Committee to work closely with each pledge card in regards to your contribution of time and talent so that your wish in those areas will be honored to the best of our ability.

Thank you everyone in advance for lending your hand in building a better Holy Family community in love, faith, and charity. May God continue grant what is best for each of us.

God bless,

Fr. Andrew Vu Nguyen

A Note from Fr. Hao

Maria My T. Nguyen, the mother of Fr. Lieu Vu, recently passed away. You may or may not know that Fr. Lieu's family was sponsored by Holy Family Parish when they fled from Vietnam in 1975. In his early vocation discernment he considered joining the Jesuits, who ministered at Holy Family in its first 90 years, from 1905 to 1995.

While I was at Holy Family, Fr. Lieu's mother occasionally attended Mass there.

Also, thank you and Holy Family for all the prayers and support when my mother passed away.

Let's Talk About Poverty

Some of us have experienced poverty first hand, many of us take interest in ending it, but all of us see it. In Santa Clara County, more than six thousand people live in the streets and many more live paycheck to paycheck. If our neighbors are going hungry, what are we called to do?

Let's talk about poverty and find out what the right questions are on Wednesday, the 26th of October starting at 7PM in the Youth Hall. We will have Frank Ponciano, a Community Organizer with PACT, leading this timely conversation.

Office Closed—October 27th
Our Parish Staff will be on a
Staff Day Away.
Mass will be at 7:30am.

Children's Liturgy of the Word Prayer Leaders Needed

Do you love children and helping them learn how to worship God in the Mass? Consider being a prayer leader for Children's Liturgy of the Word! Prayer leaders assist children to participate in the Mass at an age appropriate level, and prepare them to be a part of the community. If you or someone you know is interested in being a prayer leader for Children's Liturgy of the Word, please contact Christina Fenn (cfenn@dsj.org).

What is Children's Liturgy of the Word?

Children's Liturgy of the Word is for kids (3-7 years old) to participate in the Mass at an age appropriate level. During the 9:30 AM Mass, children are invited to the chapel to listen to the Word at their level, reflect on the readings, and pray the prayers of the faithful – just like the assembly! Children's Liturgy of the Word is not a class session or a teaching time – but a time for children to fully and actively participate in the liturgy. Please pray for Children's Liturgy of the Word prayer leaders, and all of the young disciples of our parish!

Sacred Scripture Study

Jesus said, "This is my Body" and "This is my Blood." Some say they're merely symbols of remembrance. Others say they're really the Body and Blood of Christ, but can't explain how that's possible. The Eucharist is the center-point of the Mass – but why?

Acclaimed author and scholar Dr. Brant Pitre will tackle those questions and more in **Lectio: Eucharist, Discovering the Mass in the Bible**. In ten sessions, YOU will open Sacred Scripture and deepen your understanding of the mystery and wonder that is the Eucharist – and how it will transform your life.

All are welcome, especially first timers to a Bible study!

Morning group meets: Mondays 10 am – 12 noon Please contact Donna Holt, phone 408.371-3682 goodsamnurse@gmail.com
